\*\* Bus ticket to school may be bought at the station in front of hotel and it costs 80 cents one way.

\*\*\*Train tickets to Rome cost €1.80 one way – I suggest each group buy them on Monday afternoon at the train station in front of hotel (to go and to come back, so €3,60 each person) The underground to the Vatican is € 1,50 each, we can buy that in Rome when we get there, but make sure you have cash for that too.
